Where Growth Meets Opportunity

Location Advantages

TIDCO Global City Project – Biggest Growth Driver

Tamil Nadu Government is planning a massive 2,000-acre Global City in Maduranthakam Taluk through Tamil Nadu Industrial Development Corporation. The proposed project includes:

IT & FinTech hubs
Commercial business districts
Educational institutions
Healthcare facilities
Residential townships
Convention & entertainment zones

Master planning activities are underway, and land parcels have been identified across villages around Maduranthakam. This project is expected to transform the region into a major satellite city of Chennai

Future-Ready Connectivity

Experience unmatched accessibility with Chennai's proposed longest elevated expressway corridor — a **27 km six-lane** elevated highway from Tambaram to Chengalpattu, integrated with an 8-lane highway network up to Tindivanam, creating a faster and smarter gateway to South Tamil Nadu.

Industrial Growth Catalyst

The proposed **800-acres** SIPCOT Industrial Park in Chengalpattu is poised to become a key economic driver, attracting leading industries, fostering innovation, and creating extensive job opportunities for the region.

Driving Industrial Excellence

The upcoming **400 crores** manufacturing unit in Chengalpattu marks another milestone in the region's industrial growth story, fostering economic development, enhancing infrastructure, and creating long-term employment prospects.
